All Safes are UL (USA) listed by Underwriters' Laboratories, Inc., Northbrook, IL.

The Bankers is the result of ISM's continuing effort to develop high quality security products to better meet the requirements of a wide variety of end users. Maximum security is assured by the utilization of ISM's cast alumina dense material, with drill resistant inclusions. Its unique design and one-piece "tailored" body cast provides consistent protection throughout, and proven to withstand concentrated torch, flux, tool, and explosive attacks.
