~ All Safes are UL listed by Underwriters' Laboratories, Inc., Northbrook, IL. ~

The Super Treasury is the result of ISM's continuing effort to develop high quality security products to better meet the requirements of a wide variety of end users. Maximum security is assured by the utilization of Alchronite, ISM's patented cast alloy defense material. Its unique design and one-piece "tailored" body cast provides consistent protection throughout, proven to withstand concentrated torch, flux, tool, and explosive attacks.

### Features:

- UL Group 1 Manipulation Resistant Combination Lock & High Security Key Lock
