built in our factories

... built to your needs and specifications

TR/TL Chests

“The ultimate in high security” Hamilton manufactures safes that are UL rated to withstand 30-minute attacks using both torch (TR) and tools (TL)

TR/TL30x6

Hamilton is the **only** company in the United States able to manufacture the TR/TL30x6

- UL Listed 30-minute torch and tool attack on all six sides of the safe.
- The latest composite technology
- Massive 4-way boltwork
- Glass relockers
- Perfect for jewelers, banks, credit unions and pharmacies

We build custom sizes and interiors
